

Here at Betty Jean Kerr People's Dental Department, we take pride in serving our community with the best and most sanitary treatment in the safest possible environment. Due to the Coronavirus Disease (COVID-19) risk factors, effective **Wednesday (3/18/2020)**, all elective or non-emergency dental services will be postponed until further notice. The dental department will screen and treat emergency cases **ONLY**. Please call the dental department with all urgent questions or concerns. We will keep our website updated as we receive additional information. Wishing all the best for you and your families.
